https://county-marketplace.com/electronics/computers/apple-airport-extreme-802-11n-5th-generation flemington 10885

Address: Main St, Flemington

30.00 \$ Price:

Connect your DSL or cable modem to the AirPort Extreme Base Station, then set it up with the AirPort Utility, available as download.

AirPort Extreme works simultaneously on both the 2.4GHz and 5GHz bands, allows all devices on the network to use band automatically.

Set up a separate Wi-Fi network with a separate password for your visitors.

Used excellent for only one month, condition!
