FNS Permanent Makeup Academy offers years of experience and the latest advancements in procedural techniques as well as proposes the highest standards in equipment quality and products. At our Academy we follow our strict academy guidelines to offer only the very best in education. Our courses teach you not only the mechanics of Permanent Cosmetics but also blending of pigment colors, anesthetic use, sterilization, cross contamination and much more that is described in our Course Curriculum section. All FNS Permanent Makeup Academy instructors are highly experienced permanent cosmetic technicians with many hundreds of treatments to their names. Many have appeared on television, lecturing at trade show conferences and are contributors to magazines or specialist publications and all have many years of experience and training. Our extended programs offers advanced group classes each month to move your forward and keep you up-to-date (at a very reasonable cost) of all the new methods and techniques. We feel it is important to offer these classes at a price you can afford. We also offer personalized one-on-one for those who request it, at an additional cost.
