Who We Are: Finding a career in a new world of food is closer than you think. Market District is a food destination that is a big part of the Giant Eagle family of stores. At Market District, we celebrate a passion for amazing food and food expertise by combining the best of everyday grocery shopping with foods, ingredients and services rarely found in traditional supermarkets. In 13 locations in southwestern Pennsylvania, Ohio and Indiana, the Market District stores feature teams of chefs and other culinary professionals preparing fresh foods from scratch every day. All of our Team Members, Chefs and other culinary professionals are expertly trained to provide unsurpassed quality and service. And we love FOOD! Our Market District family has a special heart for Team Members who understand the difference between making a meal and making an adventure. That's a quality we want to help grow, so we take care to match the best candidates to their perfect roles. That simply makes good sense, and we think our Team Members appreciate knowing that we're setting them up for success the moment they walk through our doors. We know you'll deliver exceptional experiences for our guests when we deliver unparalleled experiences for you.
Position Summary
The purpose of this position is to join and contribute to a service conscious Pharmacy team who will consistently build relationships with patients by exceeding their needs and providing safe, accurate and efficient care to achieve optimal patient, Team Member and Company outcomes.
Job Responsibilities
Immediately acknowledge and welcome patients with compassion and a smile at all pharmacy entry points. Model excellent patient care by respecting, engaging and enthusiastically meeting or exceeding all patient needs including processing orders in person and by phone, directing patients to products and merchandise and referring appropriate questions concerning prescriptions and over the counter medicine to the pharmacist. Adhere to all company, state and federal policies, laws and regulations including HIPAA and Pseudoephedrine sales. Finalize sales using cash register according to established procedures including the Point of Sale Policies. Transcribe data from prescriptions accurately to generate a custom label for the customer. Assist with maintaining proper inventory levels by order, receiving, stocking and rotating drugs and other supplies per company policy and procedure. Answer telephone in a polite and timely manner and ensure accurate information is exchanged and customer is satisfied. Resolve customer questions and concerns by communicating effectively with

the customer and the management team/support staff in an efficient manner. File, write and describe details to maintain a neat and clean work environment. Respond to company and management requests as needed. Perform other tasks as needed to ensure maximum efficiency and provide optimal patient care.
