I have a Kubota RTV900 that I need to sell. it looks pretty rough because we used it to feed cattle. but it will start and run everytime. it's a diesel and has 4 wheel drive. if you are looking for a quad that you can use, this is it. asking \$2400 OBO. that's a great price for a dependable side by side. text me at 620 532-1570
