Price: **3000.00 \$**

Really clean 2008 CRF 450. This bike has Pro taper bars, FMF factory 4.1 titanium slip on, black talon hubs and Excell rims, works connection radiator braces, works connection skid plate, seal savers fork covers, white plastics and one industries seat, black engine plugs.

I've had this bike since 2009 and I'm the second owner. The first owner raced it on the weekends and took great care of it. I never raced it but used it on our property over the years. It's seen about 3 hours of riding in the past 5 years so it needs to go to someone who will ride it and enjoy it. Serious offers only! NO TRADES. Cash only.
