I have 11 adorable little puppies looking for a great home! 3 males and 8 females. The litter is registered with AKC and mom and dad are on site to see. They have had their shots, wormed and dew claws removed. Mom and and dad are people pleasers, love to retrieve. Although I dont hunt they were easy to train to hunt. They dont have a mean bone in their body but will kiss you to death lol. Dad came from Decatur Ne with a great blood line and mom came from Manhattan Ks with championship bloodline.

My number is 402.870.1889 Dave Brooks
