I have 11 adorable little puppies for sale! 3 males and 8 females and all have had their shots, wormed and dew claws removed. Mom and dad are here to see also. Dad came from Decatur Ne with a great family and hunting background. He loves kids, retrieving and playing in general. He was easily housebroken and training was a snap!

Mom came from Manhattan Ks with a championship background and will love you to death, she loves retrieving, playing and good ear scratching! She is a giant gentle puppy!
