2-Way manual ratcheting winch makes loading and unloading your boat easy. Zinc plating resists rust and corrosion, making it ideal for marine applications. Two-speed operation allows for more control. Roller included.

Features:

- Hand winch mounts to your truck or trailer to ease loading of ATVs, boats, and heavy equipment
- 2-Way ratcheting mechanism allows for simple tightening or loosening of the strap
- Self-locking crank ensures security while in use
- 2-Speed operation allows for more control while securing or releasing equipment
- Fast speed lets you pull in quickly
- Lower speed offers increased mechanical advantage to pull heavy items
- Neutral, freewheel position allows for quick line payout without the handle spinning
- Heat-treated high-carbon steel brake and gear ensure strength
- Zinc plated for corrosion resistance
- Designed for use with winch strap or steel cable
- Comfortable grip ensures secure hold on handle
