Madison

Price:

19500.00 \$

2016 BMW K1600GTL with 6,054 miles on it. Older adult ridden and all services preformed at Schlossmann Motorcycles of Milwaukee (they will pick up your bike with an enclosed trailer, perform service or detail, then drop your bike back off for free!). This bike is state of the art. The POWERFUL inline 6 has 160 hp (1649 cc) & 129 lb-ft of torque. Automatic Electronic Suspension Adjustment keeps things comfortable, as does the aftermarket heated seat with driver's adjustable backrest. The xenon bulbs are 2 times brighter than halogen, and the main headlight moves to illuminate the corner when banking or turning. Great for spotting road hazards first! This bike is the ultimate for touring, with 70 hp and gobs of torque over a Harley Davidson. Driver's seat and passenger's seat are roomier, too! Comes with Bluetooth integration and Navigation from Garmin. You'll never run out of tunes or lose your way. Other features include:

Sargent Cycle World Sport Performance Seat \$869.95

Sargent Cycle EM-5 Rider's Backrest \$305.00

Sargent Cycle Splash Guards \$245.00

BMW Comfort Armrests For Passenger \$533.00

Wunderlich Side Stand Enlarger \$89.95

Wunderlich Oil Cooler Guard \$189.95

Flash2Ride Complete Garage Kit Opening \$199.95
