Address: Price:

My name is Amanda. I'm 33. I currently live with a family who under new circumstances they must move to a bigger home adding a few more people to their house. But I cannot follow so I'm need of a new place. I'm quiet, I keep to myself, I clean up after myself. I work full time in Seattle and I drive. If you have something available soon please get ahold of me. Thanks in advance.
