Address: **216 NE 3RD ST, Boynton Beach, Boynton Beach**  
Price: **2000.00 \$**

Great project car. Automatic transmission. Runs well, interior needs restoring. Brand new tires. I have owned since 2005 and drove as a daily driver for periods of time.

Because of back and medical problems, I have not been able to drive it lately or continue with restoring. A friend of mine has at his body shop in Boynton until I sell it. I hate to let it go, but that's life. Needs to go to a good home.

Has good top...replaced awhile back. Brand new tires and custom wheels. Top is fairly recent. This is the third top. This was the model made in Germany, not the U.S.

It can be seen at Bruno's Auto Body in Boynton, at the corner of Boynton Beach Blvd. and NE 3rd St. Address is 217 NE 3rd Street. You can email or text me at 5425826.
