Address:

Sequim

Price:

125.00 \$

Brand new, never been in the water! 168' of 5/8" three-strand nylon anchor rode with stainless steel eye thimble on one end and an eye splice on the other end. A screaming deal for \$125. West Marine sells 5/8" 3-strand nylon rope for \$1.59 per foot without the thimble or eye splice, so just the rope alone would cost more than twice what I'm selling this for. The thimble and eye splice are a bonus!
