Address:

Painesville

Price:

40.00 \$

Step 2 Home Depot Tool Workshop- Has battery-operated pretend chop saw and drill press, as well as 2 power drill/drivers, and lots of tools, including hammer, screwdriver, saw, tape measure, nuts/bolts, nails, screws, and more! Has a vice, utility sink, and task light (needs batteries) above pegboard. Includes bins, clear jars for storage, and unused realistic looking foam "wood" pieces for kids to create projects. Tool workshop is very durable, large enough for 2-3 children to play at the same time. Manufacturer recommended age: 4-6 years.
