Address: **Burleson**  
Price: **450.00 \$**

La Z Boy Astor Super Power - XR R/R chair.

Asking \$450. It's only 3 years old and won't fit in the living room at our new house. It has a tiny tear on the back and a little spot on arm of chair which is shown in the pictures. I paid almost \$1700 after taxes/warranty 3 years ago. (I'm not sure if the remaining 2 years of warranty is transferable) Receipt included in pictures.

Pet free home.

I live in Grandview but work in Burleson so I can meet up if needed or bring it to work. PM me on Facebook or text me at 817-965-2538.

Thank you, Bryan.
