Address:

Coldwater

Price:

950.00 \$

Brand New Scooter with 650 miles on it. Comes with a "trunk". Clean title in hand.

It's meant for inner city use only. Don't let the speedometer fool you, it doesn't go above 50 mph.

There it's a small scratch on lower right side that is barely noticeable. It's from the scooter laying over, on a trailer, while in transit.
