Price:

Port Orchard
500.00 \$

Speedometer says 241000 but did engine swap motor has 13400 it's the 4.3 l v-6 vortex motor needs a booster pump for brake but they do work just got to push extra hard on pedal drivers door hangs but shuts all the way it's got power windows and seats tilt steering interior is in pretty decent shape could use a little cleaning tires are in excellent condition motor runs great and tranny no problems everything else works
