My specialty is working on cars, trucks and atvs i can also do full restorations. but i dont have proper tools do body work on cars and trucks. I have been doing this kind of work for over 10 years. Also i do weld. i have experience in welding but not an expert yet. also change tires and balance but you would have to buy the weights and all depends on the vehicle. just give me a message or give me a call. i will reply asap thanks ask for brandon
