**Free**

### Wanted

Since our AuPair has returned home, we are looking for a live-in sitter to provide childcare from 3-5 days each week in the community of Kingman, AZ. Both parents are considered essential workers. We will gladly offer a private room (shared bathroom) and complimentary dinners. You will be welcome to participate in family activities. After 6 months, we will offer a small college scholarship. We will pay \$30/day. As far as the schedule, you are free to work a second job in the evenings or attend school. We will provide an excellent reference. This led to our last AuPair receiving a prestigious scholarship.

Applicants should have experience with infants/toddlers and must have or be able to obtain CPR certification. Applicants should have experience helping children with homework (through 4th grade level). Applicants will need to provide letters of reference. Strong moral character is considered essential. No smoking or alcohol consumption within the home or while watching children will be allowed. Strong organizational abilities are desired. Please contact Jeana or Jason Simmons at 928-432-2434 with questions. Serious inquiries only.
