Price:

**Free**

Yesterday we celebrated moms throughout the U.S. for #MothersDay, but we also celebrate their children. It is important to remember to count any children who are living with you when you respond to the #2020Census. Young children are some of the population that has been historically undercounted in the past. Make sure to count all children including grandchildren, foster children, nieces, and nephews that live with you. Respond today at [2020census.gov](https://2020census.gov) to make sure all children benefit from proper health care, schools, and so much more. #AmericaCounts
