1980 (as far as I can tell from Serial/Model number - see photo) 7.5 hp Evinrude "kicker" outboard Was used a few times each season on a LUND fishing boat. Now sits in garage. Will include fuel tank (has some old fuel/oil mix that needs discarding). It ran fine the last time it was used a few years ago. But as with anything sold, it is sold as is. Thanks for looking. (Try as I might, I can't get the photo upright)
