Price: **150.00 \$**

TESA Small Face Spline Pin Outside Micrometer (0 - 25mm) Swiss Made. Accuracy to (.0001mm.) Vernier scale in metric units with slanted barrel markings to help reduce parallax errors for taking precise outside diameter (OD) measurements. Knurled friction drive thimble mechanism helps provide uniform pressure for precise and repeatable measurements.

New these run 356.00

Text me at 1-707-303-5602 between 9 am and 7 pm.

Thanks
