125.00 \$

TESA Small Face Spline Pin Outside Micrometer (0 - 1".) Accuracy to (.0001") Vernier scale in metric units with slanted barrel markings to help reduce parallax errors for taking precise outside diameter (OD) measurements. Knurled friction drive thimble mechanism helps provide uniform pressure for precise, repeatable measurement.

New these go for 365.00

Text me at 1-707-303-5602 between 9 am and 7 pm.

Thanks
