Address:

1520 E Wheeler Road, Pick Up At Gravel Lot In Front Of Ziggys,

Price:

40.00 \$

Large Santa Elf measures 33 inches from his stocking cap to the tip of his Elf toes. The arms and legs are bendable to place him in the pose you want him to be. The 2 smaller Santa Elves are 20 inches with bendable arms and legs as well. These finely detailed figures were used in an upscale store window display.
