This set features a parchment paint with slight glazing to enhance the details of the raised panel door style. The raised panel door has extra details in the double bead applied molding and outside profile edge with matching drawer face.

Two functional spice pull outs for quick access to your everyday used spices. Large deep drawer bases for great storage and access. This set features a custom cooktop cabinet with doors and bottom drawer. Great for pans and cookie sheets. There are added details in the ornate crown molding, corbels, and columns.

The set features dovetail drawer construction with soft close doors and drawers.

\*\*Ben's Repurposed Cabinetry does not own or claim to own the photos provided of the set. A portion of the photos were client supplied and the rest were supplied by StellarMLS\*\*

Availability: This kitchen has been removed and is ready for its new home. This set can be viewed upon appointment.

What's Included: All cabinets listed (20 in total), and 2 appliances as shown. The Miele 24" dishwasher and the Decor 2006 model hood vent fan.
