Selling my 2004 kawasaki meanstreak 1600 for \$4,000. Gage cluster works only a little more than 10,000 miles on it. Brand new rear tire and front tire has less than 1,000 miles on it. Just changed the oil and filter. Rake kit. The paint job on the tank isn't great so Selling it for what I have in it. Put new battery on October 2021. Clean title in my name. Title says mileage exempt because of the age of the bike.
