I'm selling a nearly perfect 2021 250cc American soft tail cruiser. Only has 600 miles on it. Great bike to start riding on. It was a blessing for me so now I'm trying to bless you with this baby Harley looking bike. I only bought it to learn to ride only had it two months time for me to get something bigger. Call or text 3149300429.
