Price:

**14995.00 \$**

Looking for a well maintained car with lower miles? Well check out this 2014 Ford Taurus SEL with only 50k Miles on it! This cars interior is in excellent shape and is very clean! We have gone through a full safety inspection on the vehicle and this Taurus is ready to hit the road! This car really seems to handle the road well and is super smooth. The 3.5L V6 Engine has plenty of power and runs good. If your in the market for a nice vehicle, don't look any further and come take this 2014 Taurus for a test drive today!
