Alfred Sung Black evening dress. I purchased it from Nordstrom for \$235, and wore it for my son's Wedding. Perfect for mother of the bride or groom dress. The dress has only been worn once. I received many compliments and found the dress to be very flattering. Plus it has pockets!!

I had it tailored to my height of 5'4" while wearing 3"heels.

Description from Nordstrom website: Precise seaming sculpts the svelte silhouette of a full-length, pocketed gown fashioned from lustrous satin for understated glamour.
