Address:

4409 St. Louis Ave, St. Louis

Price:

Free

Vecino Construction is the general contractor for the Alumnus Gardens MO Project located at 4409 St. Louis

Ave, St. Louis, MO. Alumnus Gardens is housing specific on helping folks who are medically underserved. Vecino Group is partnering with CareSTL Health who are building a healthcare facility adjacent to

the property. The Vecino Group is a group of believers, we believe in development for the greater good. At

Vecino Construction we believe when your end goal is bettering the world, you cannot take a lot of side trips

along the way. The Alumnus Gardens MO project will consist of a new wood framed 3-story building with 60-unit

apartments, centrally located residential amenities, community room, fitness center, lounge/library, and 63

parking spaces.
