\$350,000

The cabin is a 2 bedroom seasonal cabin on Big Sandy

You have an amazing view from the upper level deck

2 car garage

Septic is compliant

Dock is included in the sale

Sold Fully Furnished

Looking to have some fun this summer on the lake. With the purchase of this cabin you can simply load up the car on the day of closing and when you arrive have what you need already there.

Lots can not be split but if you want to build on the 2nd lot then you will need to update the septic.

Great potential for owner to have a cabin close to the water with a private beach and a 2nd cabin for guests or Air BnB (check with city for requirements) or the lot with a studio or view of the lake
