I have a mobile home for sale. It's a 2 bedroom 1 bathroom. Single-Wide (14x70). Gas stove, refrigerator, dish washer, and microwave included. There's also a nice sized shed that will be included as well which you can see in the picture above. Nice hardwood floors in the living room and hallway, kitchen and bathroom are both ceramic tile. Both bedrooms are carpeted with large closets! New kraftmaid cupboards and countertops throughout! The mobile home is located in Blue Water Manor just off of Salt Springs Road near Lordstown GM! Must be park approved before moving in. This requires a background check. As long as you don't have felonies and are employed you will be okay. We are asking \$3,000.00 OBO! Thank you!
