Address:

Largo

Price:

49500.00 \$

This is a 2016 F325RL unit, (I know the box says 320 RL but it wasn't in the drop down choices). This unit is equipped with factory outdoor kitchen. 2 burner LP stove, microwave, wet sink and dorm style refrigerator. Unit includes Voyager and Fall factory packages, that includes strong arm stablizers, keyless entry lock, 12v heater pads for water, grey and black tanks, rain sensor fantastic fans in LR and Bdrm and a wireless back up camera . This unit has installed stack washer/dyer, insulated windows, Trump style Queen mattress, upgraded kingpin box and factory bike storage bumper mounted rack, 450 lb capacity. I have absorbed the \$15000.00 hit after purchase, taxes and extended warranty. You can have the peace of mind of the transferable nationwide 6 year extended warranty that covers slides, hydraulics mechanical and electric components. I will give you most everything you need to go camping after leaving my driveway, pots, pans, linens and towels if you want them, plus Directv Hi Def portable antenna. Folding chairs, charcoal grill, tv cables, 2 water supply hose, 15' & 10' Rhino sewer lines w stand, 25' & 10' 50 amp cords.....why not consider this nearly new unit instead of paying full price The wheel bearings were just repacked and new seals installed and the brakes inspected. I will spend a couple of hours going over every thing you need to know of how to set up and break down, I have all factory paperwork on all items installed in the unit and service work. Visit the Columbus website and view all the features of this unit. If you'll agree to take it, the price is firm level for the sale point.
