If you are thinking your family Christmas card for 2017 and realizing that your family has not had professional, high quality pictures taken this year, then I am the photographer for you! I specialize in family and children and would love to help you create adorable time capsules that everyone from your best friends to your great-aunts will cherish for a lifetime!

The \$100 includes a 30 minute mini-session, editing of all photos, digital download availability, and personalized Christmas card designs of your favorite images. All you have to do is mail the finished product! \*

For inquiries, email [ktphotoshoppe@gmail.com](mailto:ktphotoshoppe@gmail.com)

\*\*\*Prints not included, but may be purchased when digital images are downloaded.
