Closed my store and am selling my display cases. Have three custom made cases with locks and two others, one is a lighted locking case with locking storage on bottom. the other is not locking but can be made to lock I suppose. Will sell the whole counter with cases and cash register or will separate. The counter is 48.5 x 24" The cases measure: Lighted Glass case: 60x24x17" high. Large Glass case is 70x17.5"x25" high. Large Lexan case is 23x47x14" high. the small Lexan case is 23x23x14" high. These cases come with the Lexan platforms(6) with plastic polish and cleaner. The Lexan cases all include the custom made bases for them. Current value not known so am open to realistic offers.They are all set up and ready for viewing. I am in the Aitkin,MN area by Lake Mille Lacs.
